

Door County
DISTILLERY

MELLOW & SMOOTH

We start with Door County Distillery's specially formulated Gin, distilled in small batches and made with the finest natural botanicals. Boasting fresh, robust flavors and strong citrus notes, this gin has complex character and is a smooth, caramel colored spirit unlike any other. Garden flavors as well as notes of black tea and anise complement the oak finish. Enjoy on the rocks, with tonic, or with a twist of lime and mint.
